CAMPBELL & M'DERMOT, EDITORS AND PROPRIETOR

the chair, instead of a Lincoln or John-

vernment aids this curious emigration THE republic of Switzerland has scheme, is not disclosed; but probably naturally felt a warm sympathy with A as a war measure. The case is easily us in our national struggle. Mr. Fogg, made out—the Pacific coast may need our minister at Berne, has sent to Se future defenders, but with a present retary Seward two large and elegant population of men only where is the manuscript volumes, containing over next generation to come from? There is three hundred addresses of sympathy, no getting round this.

A NORTH CAROLINA correspondent of the Tribune says that many of the Yankee soldiers have made up their during the war. They embrace the names of most of the country, and represent mind to stay in the South after being officials of the country, and represent mind to stay in the South after feeling officials of the country, and represent the general feeling of the Swiss people.

Mr. Fogg's letter to Mr. Seward condies and widows, and settling down for cludes with an expression of the hope life upon the vacant farms which on that these memorials and addresses will

THE provost-marshal of Lynchburg,
Virginia, compels the butchers to bring
the hides and horns of the animals they kill for market, and expose them they kill for market, and expose them at their stalls along with the meat. This is done in order that cattle or sheep which have been stolen from the pightful owners, and sold to them, may be identified and the thief traced.

A correspondent of the Troy Whigh says, the Chicago University, now in the course of erection, will be one of the finest institutions of learning in the country, and it is intended to build upon it a telescope, which will exceed any thing of the kind in the world.
